

**Do you know any teachers, young people or schools
who could benefit from this
great Online Educational Resource?**

Please let them know about the website

It helps young people learn lots about wombats and issues they face at present.
It has resources to assist teachers with planning a unit of work for Foundation to Year 6 students or supporting a student undertaking SACE Research Project.

9+ Pages for Students / Young people

10+ Pages for Teachers

4 pages to help anyone to become a WOMBAT WARRIOR

Free Stickers for classes that learn about wombats
